Hi Matt,

Re the quote, I'll send OLEM's recommendations up the chain right now, but I note that our RA had very specific things she wanted to say in her quote about BIL.

And I'll send the two pieces of feedback to DTSC on how they characterize listing right now.

Regards,  
Mike

Hi Matt,

Per your request, for OLEM awareness here is California DTSC's draft press release making the Exide/NPL request announcement. This is tentatively set for this Friday, and will be accompanied by a State of California press event (that we are not joining).
